Ken Gerhardt's Comments

I am starting to get use to writing longer articles. I hope everyone takes the time to read everything as there's always great information in the newsletter.

Drain repair update

If all went well, by the time this comes out we will have completed repairs to over 50 drains. Five of these were complete rebuild: hole 10 in front of the green, two on 15 in front of the green, hole 17 in front of the green, and hole 18 on the left side prior to the fairway bunker. Many golfers saw Josh and Ever deep inside the holes and, as a matter of fact, I believe a few golf balls found them there.

This was a huge undertaking, and we are happy to have finished these prior to starting our mowing season.

Bunker update

As I am writing my article, we are currently at 20 bunkers completed with the ones on 3 and 9 to be completed the last week of April. Our goal was 13 and the team was able to finish a total of 22 bunkers.

Bunker rakes

Just a reminder, we ask to always leave the bunker rakes inside the bunkers. If you come across a bunker without rakes, please shoot me an email and we will get one there.

Ken Gerhardt's Comments (continued from page 1)

Walking Policy for Golfers

As of May 1st, we will be going back to our normal walking policy which will remain in effect until modified by the Club management.

1. Limited walking privileges are afforded to all members of the Club as specified herein. The only non-members allowed to walk are accompanied guests of members when the member is walking. The guest will be charged as though riding.
2. Walking is allowed when the full course is on cart path only status, except during tournaments and for 30 minutes ahead of all tournaments. As used herein, "tournaments" includes all MGA and LGA play-days and events. Walking before 11 a.m. will require payment of a cart fee unless the walker is on a cart plan.
3. Walking is allowed all day on Tuesday and Wednesday, except for 30 minutes before any tournament, and after 11 a.m. on other days.
4. Staff reserves the right to deny walking privileges to any player having demonstrated an inability to maintain a reasonable pace of play.
5. Staff will not permit walkers wishing to play only 9 holes to start on the back 9 if it is likely that they will be caught by players completing the first 9.
6. No walking is allowed by those players competing in any member tournament (including MGA and LGA play-days and events).
7. Golf bikes are not allowed to be used during any tournaments. This includes LGA, MGA, or any planned member events.

Walking or Biking the Cart Paths for Residents

We always allow our residents to walk or bike the carts paths during non-business hours. For the months of May to October, you may use the paths prior to 7:30 a.m. Please be off the course by 7:30 a.m. You may also use the front nine cart paths after 7:30 p.m.

Ken Gerhardt's Comments (continued from page 2)

Making Tee Times

As we continue to get busier with both member play as well as outside play, this is a reminder to please make tee times in advance. Equity may do 14 days out and Associate may do 10 days out. We have started pairing up the public where possible to help open additional tee times. If you are playing as a twosome, please call the Pro Shop a day or two earlier before your scheduled time to see if maybe we have another member couple we can pair you with. We will not pair members with outside play.

Sports Bar and Café

We opened on Thursday, April 22nd. Here is a photo of our first customers. Thank you, Kathy, Skip, and Ken Kirkman for showing your support.

The sports bar is open Tuesday – Saturday 11 a.m. to 4 p.m. Please stop by and order lunch, have a cocktail, and enjoy your day. The Sports bar is available for all residents as well as any golfers.

A shoutout to Peter Eckle for creating the logo we will be using for signage for this area.

Sunset Terrace

There will be times when the Sunset Terrace is booked for parties. The only daytime events will be MGA or LGA events. Friday evenings may be booked for rehearsal dinners. I will send out an email if the deck is reserved for one of the above.

News from the Pro by *Brian Joyner*

Couples Event Results

Our monthly couples event took place on Sunday, April 18th. The women were tasked with picking their partners out of a hat before the round started with the format a regular 9 hole two person scramble. Teams were then flighted and handicaps given. There were a lot of great scores and fun was had by all! Here were the winners . . .

Flight 1

1st (29)

Jim Hallenbeck
Cheryl Yadach

2nd (32)

*won playoff
Karen Lankton
Joe Toth

Flight 2

1st (29)

John Filipow
Amy Trainor

2nd (31)

Doug Eddy
Kim Reinecke

Flight 3

1st (32)

Gail Hallenbeck
Rich Yadach

2nd (34)

*won playoff
Annmarie Penrose
Larry Pelletier

*Does not include outside tournaments

Terri's Tips!

Why Can I Hit The Ball Better On The Range Than On The Golf Course? My Swing Was Great On The Range But I Can't Take It To The Golf Course!

Well, I get these questions ALL THE TIME!

Think about how you grew up practicing other sports. That is, if you did play other sports growing up. If you played baseball, you practiced on the playing field where you “played” the game. If you played basketball, you practiced on the basketball court where you “played” the game. If you played tennis, you practiced on the tennis court where you “played” your match. If you played soccer, you practiced on the soccer field where you “played” the game. Even if you were an ice skater, you practiced on the ice where you competed.

I think you can see that the game of golf is unlike any other sport when it comes to practicing.

When you are practicing your swing, short game, etc., you are probably thinking or trying to develop a consistent swing. While you are doing this, I'm sure you have thoughts going through your head on what you should do to accomplish this. You may have a lot of mechanical thoughts, visuals, and feels going on in your head. Also, while you are practicing and hit a poor shot there isn't any consequence for that swing/shot up on the driving range. On the golf course, there are consequences for hitting a poor shot. Remember the golf swing is not the GOLF GAME. When you are on the course you do not hit 25 tee shots in a row, or 25 seven irons in a row!

What can you do during your practice sessions to make it more like the game?

Play a hole on the driving range, but visualize the hole on the golf course. Pull your driver, do your pre-shot routine, visualize your shot, and make your swing—with no swing thoughts. Give yourself at least a minute between swings as well. Now it's time to hit your second shot, maybe you have a hybrid to the green. Choose your hybrid, do your pre-shot routine, visualize your shot, and make your swing—with no swing thoughts. Oops you missed the green, you now have a pitch shot to the green.

Choose your sand wedge, do your pre-shot routine, visualize that high soft shot to the green, and make your swing. Are you getting the picture? Golf is a game of visuals and feels. You need to react to the target which is in front of you on the golf course, the target IS NOT the golf ball, nor do you need to remind yourself, while playing golf, how to swing the club. This will do you in while you are playing the game. Can you imagine a professional baseball pitcher trying to remind himself how to throw a fast ball while “playing the game?” It just does not work.

Ask yourself, are you playing the game while you are on the course, or are you thinking of how you are going to hit the ball while on the course? “Thinking” of your swing and working on your mechanics and fundamentals are for the practice areas. You need to practice both, the fundamentals and practice playing the game! I hope this helps lower your scores!

If you have any questions, please contact me at, Carolinaschoolofgolf@gmail.com

Carolina Colours Ladies and Men Golf Association (LGA & MGA)

LGA

Have you noticed the beautiful Legacy Gardens at Hole #16? This project garnered strong support from past and current LGA members, and we are grateful for the supportive responses from our membership. We're all looking forward to seeing how this garden develops as we continue through the summer.

Speaking of beautiful things, our weather has been amazing—especially for an eastern North Carolina spring. As we've competed with just three clubs, tried to win some money by making the lowest number of putts, and taken our shot from the purple tees on #16, we've enjoyed the best spring weather in the past four years. The increased number of LGA'ers participating each week [consistently over 20 strong] is evidence of how golf at Colours is growing.

Looking ahead to May, we hope to continue seeing so many new faces on Tuesdays and Thursdays for our 9 a.m. shotgun starts. Check your LGA 2021 Schedule for specific games each week and consider participating in the Hole-in-One Club. Alexander Hamilton said he was not throwing away his shot, and you should consider taking your hole-in-one shot as well. It's a \$5 contribution; please be sure and put your name on your money when you give to Pro Shop or a Board member.

Mark your calendar for our 9 & Wine scheduled for Thursday, May 13 with shotgun start at 3 p.m. After a 9-Hole Step-Aside, we'll gather at the McGraw's home to talk about our best shots and enjoy snacks.

Keep coming out to enjoy the fun, camaraderie, and Chef K's weekly special on the Sunset Terrace or in the newly opened Sports Bar, quickly becoming favorite after-round spots. Lots of LGA'ers helped open the Sports Bar April 22 and were delighted to have beverage options including wine and beer!

(MGA on page 13)

MGA

The month of April had warmer and drier weather which allowed our members to enjoy more Wednesday and Friday golf days with their friends. We would like to welcome Joe Neally and Paul McElearney as our newest members. The MGA currently has 65 members and is always looking for new members. Please contact any MGA board member for more information.

On Monday June 21, the MGA will be conducting a Member-Guest one day tournament. We have opened the field to all (men, women and mixed teams), best ball two-man teams. See the next page (page 14) for the link and all the details to sign up. You don't have to be a member to play. We are opening it up to non-members, and they can bring a guest! A fun day for all!

On Friday April 9, we had a Masters Drink Day and on Wednesday April 21, MGA members enjoyed a free lunch and beverage while relaxing on the new Sunset Terrace.

Our most recent road trip was April 27 at the Bear Trail Golf Club in Jacksonville, a new course on our MGA resume. We had over 35 members join the fun for a great day.

May Game Schedule:

- May 5—Shamble (ABCD)—All players hit tee shot, teams select best ball. Players hit their own ball from that point to hole. Team score is best net score. Three drive minimum/player.
- May 12—one low gross/one low net (ABCD).
- May 19—Tax man Wipeout/ABCD—Holes 1-3: 1 low net, holes 4-6: 2 low net, holes 7-9 :3 low net, holes 10-12: 1 low gross, holes 13-15: 2 low gross, holes 16- 18 : 3 low gross.
- May 26—Two man Best Ball—Four flights A,B,C,D players—two man teams, each players plays their own ball and team score is best one man net score.

CHEF's CORNER

Slow Cooked Baked Beans

Summertime is almost here in Eastern NC. And with summer comes barbeques and block parties! This recipe is a somewhat time consuming, but VERY simple recipe for any get together. I hope everyone enjoys the start of summer with fireflies at dusk and warm nights sipping sweet tea on your porch.

Ingredients

1 pound (about 2-1/3 cups) dried Navy beans or Great Northern beans
1/4 pound bacon or salt pork, cut up 1 chopped onion
1/2 cup molasses or maple syrup 1/4 cup packed brown sugar
1 teaspoon dry mustard 1 teaspoon kosher salt
1/4 teaspoon ground black pepper 2 cups ketchup
2 tablespoons Worcestershire sauce

Directions

For 10 to 12 side-dish servings, rinse beans in a colander under cool running water. Be sure to sort through the beans to remove any debris.

In a large Dutch oven combine the beans and 8 cups water. Bring to boiling, reduce heat. Simmer, uncovered, for 2 minutes. Remove from heat. Cover and let stand for 1 hour. Drain and rinse the beans, discarding the soaking liquid.

Return the rinsed beans to the Dutch oven and stir in 8 cups fresh water. Bring to boiling; reduce heat. Simmer for 1 to 1-1/2 hours or until the beans are tender, stirring occasionally. Drain beans, reserving the liquid. Preheat the oven to 300 degrees F.

In a 2-1/2-quart casserole, combine the beans with remaining ingredients and 1 cup reserved liquid. Stir, cover the casserole, and bake for 2-1/2 hours or to desired consistency.

Baked Beans Tip: Some like their beans saucy, while some prefer them more dry. If you like them saucy, add additional reserved bean liquid during cooking. If, at the end of the cooking time the beans are not as dry as you like, continue to bake them, uncovered, until some of the liquid has evaporated. Keep in mind, though, that beans will continue to soak up the liquid after cooking.

Baked Beans Tip: You can get a head start on baked beans by soaking them and cooking in advance. Cover and store the soaked, cooked beans

Katherine's Café

*Opened
Every Day
11:00 am-3:00 pm*

Made-to-order sandwiches and a side or salad will be prepared for you by Chef Katherine.

Call in your order from the course (look for the sign near the 9th tee box) and pick up your order when you make the turn.

You may charge your order to your Golf Club membership account. Otherwise, cash or credit cards only.

252-772-7022 ext 4
